

Economic and Political Problems 1783 – 1789:

- a. **No military after the Peace because no way to pay for it.**

British remained in their northwest forts and the Spanish were in Florida. They had Indian problems on the frontier.

No way to stop European powers who might encroach on the independent states.

- b. No Head of State!

- c. **No way to pay for Peace Treaties with Indians!**

- d. States erected tariff barriers

- e. **No way to pay Revolution Debt** run up by the *Continental*

Congress.
